	PreSchool-K	Grade K-2	Grade 2-4	Grade 4-6
<b>Week 1: June 12-16</b>	<b>I'm an Artist</b> – Campers will experiment with different forms of art materials. Every day will be a new adventure as we create a new masterpiece with watercolors, finger paints, puffy paint, oil pastels, glitter gel and more! Campers will be encouraged to explore their imagination and discover their creativity.	<b>Creative Kids</b> – Campers' days will be filled with fun ways to express themselves. Painting, crafts, clay, spin art, murals and more! We will work on individual projects and join fellow campers to create group masterpieces.	<b>Outdoor Art</b> – Do you love to be outside and enjoy art? We will go on hikes as we gather natural materials we need and also to help get our creativity flowing. Some of our projects may include nature murals, sun catchers, wind chimes, stepping-stones and more!	Grade 5-7 CIT Program (Counselor in Training) Limited Spots Call for information 440-933-3782
<b>Week 2: June 19-23</b>	<b>Heroes and Superheroes</b> – Who's your favorite superhero – Batman, Spiderman, Supergirl? Embrace your inner superhero and let loose this week at camp. We will also explore some of our real-life heroes such as firemen and policemen and discover that it takes more than a cape to be a hero.	<b>Heroes and Superheroes</b> – Who's your favorite superhero – Batman, Spiderman, Supergirl? Embrace your inner superhero and let loose this week at camp. We will also explore some of our real-life heroes such as firemen and policemen and discover that it takes more than a cape to be a hero.	<b>Party Planning</b> – Who doesn't love a party! Campers will set a theme, take notes, do Internet research, brainstorm ideas, organize activities, decorate, and follow through with responsibilities. We will end our week of camp with a real party on Friday!	
<b>Week 3: June 26-30</b>	<b>How to be a Pirate</b> – Ahoy Matie! "X" marks the spot! Join us as we discover how to make maps, find buried treasure, and build a pirate ship. It will take teamwork and problem-solving to get through daily scavenger hunts.	<b>Treasure Hunt</b> – "X" marks the spot! Campers will learn how to navigate a map to find buried treasures inside and outside.	<b>American Girl Dolls</b> – Join us for our very popular fun-filled American Girl Week. Bring your American Girl doll or any 18" doll to camp to partake in daily tea parties and real tea sets, including girl and doll-size treats. We will make a variety of crafts for you and your doll to enjoy.	<b>StopMotion Animation</b> - Calling all filmmakers! Get hands-on experience using digital camcorders and Apple's iMovie® editing software. Create your own stop-motion animations using LEGOS or Clay and use your imagination! Upload your film to YouTube and become famous!
<b>Week 4: July 5-7</b>	<b>I Can Cook</b> – Does your child love to help out in the kitchen? Come spend the week cooking through literature with many of our favorite children's authors. Incorporated into each day will be opportunities for art, drama, and, of course, cooking!	<b>Call of the Wild</b> – This camp is for animal lovers, young naturalists, and aspiring zoologists. Join us as we travel from the Arctic to the jungle and learn about the animal kingdom.	<b>Super Science</b> – Observe! Predict! Discover! Our laboratory will be overflowing with experiments. Campers will gain a better understanding of scientific principles as we conduct our hands-on experiments.	Grade 5-7 CIT Program (Counselor in Training) Limited Spots Call for information 440-933-3782
<b>Week 5: July 10-14</b>	<b>Budding Scientists</b> – There is a scientist in all of us waiting to escape! We are off to the laboratory to boil, bubble, and stay out of trouble! Let's see what happens when the scientist within us escapes! Our experiments will surely thrill and delight.	<b>Crazy Concoctions</b> – This camp is for budding scientists and lovers of messy, gooey, wacky concoctions. Campers will explore the amazing world of science and our lab will be overflowing with experiments.	<b>Crafty Kids</b> – Masking tape, glue, leather, and glitter. These are just some of the materials our crafty kids may be using for their projects. We will work on individual projects and join fellow campers to create group masterpieces.	<b>2D Computer Game Design</b> – Interested in how games are made? We'll use the popular computer program Gamemaker to program 2D computer games that you can play on your computer at home. Sign up quick! This camp is limited to 10 awesome programmers.
<b>Week 6: July 17-21</b>	<b>Discovering Dinosaurs</b> – Discover the prehistoric world of the dinosaurs! Learn about different types of dinosaurs, where they lived, and what they are. We will read stories about dinosaurs, measure how long they were and dig for bones. Campers will get a special visit from the Lorain County Metroparks' CONSTRUCT-A-SAURUS.	<b>Cooking 101</b> – Time to cook up some fun! Campers will make everything from appetizers to desserts in this hands-on cooking experience. They will learn skills such as measuring, chopping, and slicing. Campers will create a cookbook of the fabulous creations they make so they can share their newfound cooking skills at home!	<b>CSI (Crime Scene Investigation)</b> – A mystery is a magnet attracting eager minds. We gather clues and evidence and ponder what we find. Solutions are elusive. It's wise to bide your time. It isn't always obvious who perpetuates a crime. Calling all detectives: A crime has been committed! Can you help?	Grade 5-7 CIT Program (Counselor in Training) Limited Spots Call for information 440-933-3782
<b>Week 7: July 24-28</b>	<b>Under the Sea</b> – This camp is the perfect place to beat the heat! Have an ocean full of fun as we uncover the mysteries found under the sea. We will explore water, sea creatures, sand and more. Experience the wonders of the sea through water play, science experiments, games and crafts. Bring your bathing suit, and a change of clothes – you're bound to get wet!	<b>Wild Water Adventure</b> – Campers will splash their way through an awesome week of water activities. We will have fun with water inside and out. Think water balloons, liquid watercolors, and more! Bring your swimsuit, towel, and sunscreen as we're bound to get wet!	<b>Cooking 202</b> - Breakfast, lunch, and dinner – we'll cook it all! Sharpen your measuring, chopping, and slicing skills as we cook up a storm. We'll even make a cookbook full of our delicious recipes so campers can show off their cooking skills at home!	
<b>Week 8: July 31- Aug 4</b>	<b>The Best of Summer</b> – This last week of camp, we will bring back one of our favorites each day. One day may be another water day or maybe we'll cook. We might do another science experiment or create a new piece of art. Come join us for this week of the best. Who knows what will happen?	<b>The Best of Summer</b> – This last week of camp, we will bring back one of our favorites each day. One day may be another water day or maybe we'll cook.
